Feature Film

Grave Encounters 2

Death Awaits Cinema

"Poliquin is a director to watch. Kudos for the filmmakers for trying something different and ...succeeding." - Edge Boston

"Grave Encounters 2" is a rare sequel that is actually better than its original. The Vicious Brothers have stepped up the scares and given director John Poliquin the material he needed to take viewers on a terrifying found-footage roller-coaster ride." - Examiner

"Grave Encounters 2 does exactly what you want a sequel to do, expanding on the mythology of the original without rehashing what we already saw. Its bigger and better." - Horrorphilia
